I married my husband
Ernest E. Haggerty (Died -
1983) in March 1946. I spent two days in Liverpool England, and arrived
in September of 1946 in Halifax. I was met by the Salvation Army
Ladies.

During the train trip, I thought we would never arrive in Winnipeg.
When we did, I did not recognize husband in civilian clothes and his "Big
Hat".

I have belonged to both the Saskatchewan War Brides Association and
the Manitoba War Brides Association and am serving as the President of
the MWBA. I am proud to be a Canadian yet I still remember my roots.
