Married in Merstham, Kent,  
England on March

11th.1961 We sailed from Tilbury on the Cunard liner Saxonia. Sheila had already spent a year in Canada nursing in Sudbury, (before I knew her) and she wanted us to start our married life here. I had a good job organized with AECL (Atomic Energy of Canada Limited) in Ottawa. A great 30 years with AECL, and 3 wonderful children, Sheila and I moved down to Nova Scotia in 1991, ran a B&B for 5 years in Lawrencetown on the Eastern Shore. Now happily living in Dartmouth.
