I came to Canada in the spring of 1924 I believe. I came with my Mother Florence, my brother Robert and baby sister Florence. I don't know if we came in at Pier 21, as they say it wasn't open at that time. I was told it could have been Pier 2.

If anyone has a boarding list to see if we were on that list I would be most grateful. You can contact by emailing [library@pier21.ca](mailto:library@pier21.ca).
