

Angela Lombardi  
Italian Immigrant  
Olympia  
April of 1957

CANADA'S IMMIGRATION MUSEUM  
**PIER 21**

I was 5 years old. I remember the endless ocean, passing the strait of Gibraltar, spending Easter on the ship. I travelled with my mother, Maria Recine Lombardi. We were coming to Canada and meeting up with my father, whom I had not really met, since he emigrated when I was 6 Months old.
