

Ann Perri  
Italian Immigrant  
Roma December 23,  
1956

My mother Sofia Perri  
together with her 4 children  
Francesco (12), Anna (10), Mario (8) and Ettore (5) arrived at Pier 21 on  
December 23 1956. We sailed from Naples Italy, on the Roma Flotta  
Lauro. We boarded a train for Toronto where my father Luchino Perri  
was awaiting our arrival.

I remember that we as children were welcomed with toys and Christmas  
candy, what a wonderful Christmas we had that year. My father arrived  
at Pier 21 in April 1951 on the "Saturnia"
