

Oscar Dozzi
Italian Immigrant
Vulcania
February 4, 1956

CANADA'S IMMIGRATION MUSEUM
PIER 21

Took the train to TO - lots of snow, cold! One guy was dropped off train middle of nowhere; someone spoke up and train reversed to pick him up again. Speaking Italian and one lady understood; got off in Toronto though slated for Winnipeg; to Maritimes & Nfld, PEI and Greenwood, early 1960s. Construction, bricklayers and mason. Worked everyday, never sick, worked fast and very well.
