by Daughter  
Christine Hennes  
Polish Immigrant  
Estonia  
April 24, 1929

She came with her parents, mother Bertha (deceased) and father August (deceased) and her 6 brothers and sisters - Bernard (deceased), Hulda Graham, Rudolf, Wanda Tomas, Edmund (deceased) (my father-in-law) and Martha Park.

They took the train to Herbert, SK where Bertha's dad and step mom and 2 sisters lived. Later in fall 1929 they moved to the yard where my husband and I live today. I will get her to tell me about the travelling on the ship etc. She told me she remembers seeing the cranes load their large baskets on the ships.
