

Gustav Anders Walfridson
by Son Orrin Walfridson
Swedish Immigrant
Grippholm and the
Drottingholm
1927 and 1947

My father immigrated from Sweden in 1927. In 1947 we as a family went back to Sweden to live. It did not work out to well, so we came back about nine months later. We sailed on the Grippholm and the Drottingholm.
