

Albert Henry
Minnings
WWII Veteran
Aquitania and Ile de
France
1942 and 1946

Albert Henry Minnings joined the Regina Rifles during World War Two after going as a volunteer soldier with a tank corps. Al Minnings returned to Canada aboard the Ile de France in October of 1946. By this time he had joined the Regina Rifles and served in France, Holland and Germany.

In 1995 he was part to the "Thank You Canada" held in Holland (Netherlands) where Canadians were hosted by local people and taken through the country for a week. We have a video taken at that time by a friend and also the C.B.C. made a video.
